

LIST OF TABLES

Table 1.1:	Percentage of full time college students who have ever reported an incident to the campus police	8
Table 1.2:	Percentage of full time college students who have ever reported an incident to the campus police, broken out by age of the student	9
Table 1.3:	Percentage of full time college students who have ever reported an incident to the campus police, broken out by population intensity of the place of origin	9
Table 1.4:	Percentage of full time college students who have ever reported an incident to the campus police, broken out by geographic region of origin of the student	9
Table 1.5:	Percentage of full time college students who have ever reported an incident to the campus police, broken out by freshmen, sophomores, juniors & seniors	9
Table 1.6:	Percentage of full time college students who have ever reported an incident to the campus police, broken out by income level of the student's family of origin	10
Table 1.7:	Percentage of full time college students who have ever reported an incident to the campus police, broken out by level of religiosity of the student	10
Table 1.8:	Percentage of full time college students who have ever reported an incident to the campus police, broken out by the political views of the student	10
Table 1.9:	Percentage of full time college students who have ever reported an incident to the campus police, broken out by grade point average or equivalent	10
Table 1.10:	Percentage of full time college students who have ever reported an incident to the campus police, broken out by academic major or focus	11
Table 1.11:	Percentage of full time college students who have ever reported an incident to the campus police, broken out by gender of the student	11
Table 1.12:	Percentage of full time college students who have ever reported an incident to the campus police, broken out for public and private college students	11
Table 1.13:	Percentage of full time college students who have ever reported an incident to the campus police, broken out by type of college living arrangement	11
Table 1.14:	Percentage of full time college students who have ever reported an incident to the campus police, broken out by student employment situation	12
Table 1.15:	Percentage of full time college students who have ever reported an incident to the campus police, broken out by type of college	12
Table 1.16:	Percentage of full time college students who have ever reported an incident to the campus police, broken out by size of enrollment of college attended	12
Table 1.17:	Percentage of full time college students who have ever reported an incident to the campus police, broken out by publicly claimed mean sat acceptance score of the college attended	13
Table 2.1:	Student evaluation of how safe they feel on campus-needs to be re-eval:uated the data	17
Table 2.2:	Student evaluation of how safe they feel on campus, broken out by age of the student	17
Table 2.3:	Student evaluation of how safe they feel on campus, broken out by population intensity of the place of origin	17
Table 2.4:	Student evaluation of how safe they feel on campus, broken out by geographic region of origin of the student	17
Table 2.5:	Student evaluation of how safe they feel on campus, broken out by freshmen, sophomores, juniors & seniors	18
Table 2.6:	Student evaluation of how safe they feel on campus, broken out by income level of the student's family of origin	18

Table 2.7:	Student evaluation of how safe they feel on campus, broken out by level of religiosity of the student	18
Table 2.8:	Student evaluation of how safe they feel on campus, broken out by the political views of the student	19
Table 2.9:	Student evaluation of how safe they feel on campus, broken out by grade point average or equivalent	19
Table 2.10:	Student evaluation of how safe they feel on campus, broken out by academic major or focus	19
Table 2.11:	Student evaluation of how safe they feel on campus, broken out by gender of the student	20
Table 2.12:	Student evaluation of how safe they feel on campus, broken out for public and private college students	20
Table 2.13:	Student evaluation of how safe they feel on campus, broken out by type of college living arrangement	20
Table 2.14:	Student evaluation of how safe they feel on campus, broken out by student employment situation	21
Table 2.15:	Student evaluation of how safe they feel on campus, broken out by type of college	21
Table 2.16:	Student evaluation of how safe they feel on campus, broken out by size of enrollment of college attended	21
Table 2.17:	Student evaluation of how safe they feel on campus, broken out by publicly claimed mean sat acceptance score of the college attended	22
Table 3.1:	Student views of the sufficiency of the number of campus police and other security personnel on campus	24
Table 3.2:	Student views of the sufficiency of the number of campus police and other security personnel on campus, broken out by age of the student	24
Table 3.3:	Student views of the sufficiency of the number of campus police and other security personnel on campus, broken out by population intensity of the place of origin	24
Table 3.4:	Student views of the sufficiency of the number of campus police and other security personnel on campus, broken out by geographic region of origin of the student	24
Table 3.5:	Student views of the sufficiency of the number of campus police and other security personnel on campus, broken out by freshmen, sophomores, juniors & seniors	25
Table 3.6:	Student views of the sufficiency of the number of campus police and other security personnel on campus, broken out by income level of the student's family of origin	25
Table 3.7:	Student views of the sufficiency of the number of campus police and other security personnel on campus, broken out by level of religiosity of the student	25
Table 3.8:	Student views of the sufficiency of the number of campus police and other security personnel on campus, broken out by the political views of the student	26
Table 3.9:	Student views of the sufficiency of the number of campus police and other security personnel on campus, broken out by grade point average or equivalent	26
Table 3.10:	Student views of the sufficiency of the number of campus police and other security personnel on campus, broken out by academic major or focus	27
Table 3.11:	Student views of the sufficiency of the number of campus police and other security personnel on campus, broken out by gender of the student	27
Table 3.12:	Student views of the sufficiency of the number of campus police and other security personnel on campus, broken out for public and private college students	27
Table 3.13:	Student views of the sufficiency of the number of campus police and other security personnel on campus, broken out by type of college living arrangement	27
Table 3.14:	Student views of the sufficiency of the number of campus police and other security personnel on campus, broken out by student employment situation	28

Table 3.15:	Student views of the sufficiency of the number of campus police and other security personnel on campus, broken out by type of college	28
Table 3.16:	Student views of the sufficiency of the number of campus police and other security personnel on campus, broken out by size of enrollment of college attended	29
Table 3.17:	Student views of the sufficiency of the number of campus police and other security personnel on campus, broken out by publicly claimed mean sat acceptance score of the college attended	29
Table 4.1:	Student views of the courtesy and professionalism of the campus police student views of the courtesy and professionalism of the campus police-al	29
Table 4.2:	Student views of the courtesy and professionalism of the campus police, broken out by age of the student	29
Table 4.3:	Student views of the courtesy and professionalism of the campus police, broken out by population intensity of the place of origin	29
Table 4.4:	Student views of the courtesy and professionalism of the campus police, broken out by geographic region of origin of the student	29
Table 4.5:	Student views of the courtesy and professionalism of the campus police, broken out by freshmen, sophomores, juniors & seniors	30
Table 4.6:	Student views of the courtesy and professionalism of the campus police, broken out by income level of the student's family of origin	30
Table 4.7:	Student views of the courtesy and professionalism of the campus police, broken out by level of religiosity of the student	30
Table 4.8:	Student views of the courtesy and professionalism of the campus police, broken out by the political views of the student	31
Table 4.9:	Student views of the courtesy and professionalism of the campus police, broken out by grade point average or equivalent	31
Table 4.10:	Student views of the courtesy and professionalism of the campus police, broken out by academic major or focus	31
Table 4.11:	Student views of the courtesy and professionalism of the campus police, broken out by academic major or focus	31
Table 4.12:	Student views of the courtesy and professionalism of the campus police, broken out by gender of the student	32
Table 4.13:	Student views of the courtesy and professionalism of the campus police, broken out for public and private college students	32
Table 4.14:	Student views of the courtesy and professionalism of the campus police, broken out by type of college living arrangement	32
Table 4.15:	Student views of the courtesy and professionalism of the campus police, broken out by student employment situation	32
Table 4.16:	Student views of the courtesy and professionalism of the campus police, broken out by type of college	33
Table 4.17:	Student views of the courtesy and professionalism of the campus police, broken out by size of enrollment of college attended	33
Table 4.18:	Student views of the courtesy and professionalism of the campus police, broken out by publicly claimed mean sat acceptance score of the college attended	33
Table 5.1:	Student views on their feeling of safety on campus vs. Feeling of safety at home of origin	35
Table 5.2:	Student views on their feelings of safety on campus vs. Feeling of safety at home, broken out by age of the student	35
Table 5.3:	Student views on their feelings of safety on campus vs. Feeling of safety at home, broken out by population intensity of the place of origin	35

Table 5.4:	Student views on their feelings of safety on campus vs. Feeling of safety at home, broken out by geographic region of origin of the student	35
Table 5.5:	Student views on their feelings of safety on campus vs. Feeling of safety at home, broken out by geographic region of origin of the student	36
Table 5.6:	Student views on their feelings of safety on campus vs. Feeling of safety at home, broken out by freshmen, sophomores, juniors & seniors	36
Table 5.7:	Student views on their feelings of safety on campus vs. Feeling of safety at home, broken out by income level of the student's family of origin	36
Table 5.8:	Student views on their feelings of safety on campus vs. Feeling of safety at home, broken out by level of religiosity of the student	36
Table 5.9:	Student views on their feelings of safety on campus vs. Feeling of safety at home, broken out by the political views of the student	37
Table 5.10:	Student views on their feelings of safety on campus vs. Feeling of safety at home, broken out by grade point average or equivalent	37
Table 5.11:	Student views on their feelings of safety on campus vs. Feeling of safety at home, broken out by academic major or focus	38
Table 5.12:	Student views on their feelings of safety on campus vs. Feeling of safety at home, broken out by gender of the student	38
Table 5.13:	Student views on their feelings of safety on campus vs. Feeling of safety at home, broken out for public and private college students	38
Table 5.14:	Student views on their feelings of safety on campus vs. Feeling of safety at home, broken out by type of college living arrangement	38
Table 5.15:	Student views on their feelings of safety on campus vs. Feeling of safety at home, broken out by student employment situation	39
Table 5.16:	Student views on their feelings of safety on campus vs. Feeling of safety at home, broken out by type of college	39
Table 5.17:	Student views on their feelings of safety on campus vs. Feeling of safety at home, broken out by size of enrollment of college attended	40
Table 5.18:	Student views on their feelings of safety on campus vs. Feeling of safety at home, broken out by size of enrollment of college attended	40
Table 5.19:	Student views on their feelings of safety on campus vs. Feeling of safety at home, broken out by publicly claimed mean sat acceptance score of the college attended	40
