

Table of contents	1
List of Tables	2
Methodology	11
The questionnaire	15
Faculty from the following colleges participated in the survey	17
Summary of main findings	24
Chapter one: Have you ever received a research grant for a sum greater than \$10,000?	24
Chapter two: How many grants have you applied for within the past 12 months?	31
Chapter three: In the twelve months period prior to the last 12 months, How many grants had you applied for?	36
Chapter four: How would you characterize grant conditions in your field?	42
Chapter five: What percentage of the grant money that you have received in the past three years are internal grants paid for by your own college or university?	49
Chapter six: What percentage of the grant money that you have received in the past three years are paid for by the U.S. federal government (or the government of Canada for Canadian researchers)?	55
Chapter seven: How much of your work time over the past month has been taken up by grant applications and other activities designed to raise research money?	61
Chapter eight: In the past year have you received any aid or discretionary grants to pay for or defray the costs of publication, travel or other research support activities?	67
Chapter nine: If so how much were these discretionary grants or aid?	72
Chapter ten: Do you currently have funding of any kind for research?	77
Chapter eleven: Have you served as a judge or referee or otherwise formally reviewed articles for publication in journals within the past year?	81
Chapter twelve: Are you a formal thesis supervisor for bachelor's degree students?	86
Chapter thirteen: Are you a formal thesis supervisor for graduate or doctoral students?	90
Chapter fourteen: How inclined are you to serve as a referee on new peer reviewed publications in your field?	94

LIST OF TABLES

Table 1.1: Have you ever received a research grant for a sum greater than \$10,000?	27
Table 1.2: Have you ever received a research grant for a sum greater than \$10,000? Broken out for faculty in the United States or Canada.	27
Table 1.3: Have you ever received a research grant for a sum greater than \$10,000? Broken out by general Carnegie class of the institutions.	27
Table 1.4: Have you ever received a research grant for a sum greater than \$10,000? Broken out by faculty in public or private colleges.	27
Table 1.5: Have you ever received a research grant for a sum greater than \$10,000? Broken out by the enrollment level of the colleges.	28
Table 1.6: Have you ever received a research grant for a sum greater than \$10,000? Broken out by the age of a faculty member.	28
Table 1.7: Have you ever received a research grant for a sum greater than \$10,000? Broken out by professional rank.	28
Table 1.8: Have you ever received a research grant for a sum greater than \$10,000? Broken out by the personal political views of a faculty member.	28

Table 1.9:	Have you ever received a research grant for a sum greater than \$10,000? Broken out by the personal income level of a faculty member.	29
Table 1.10:	Have you ever received a research grant for a sum greater than \$10,000? Broken out by the tenure status of a faculty member.	29
Table 1.11:	Have you ever received a research grant for a sum greater than \$10,000? Broken out by an academic field.	29
Table 1.12:	Have you ever received a research grant for a sum greater than \$10,000? Broken out by extent of database use within a week.	30
Table 1.13:	Have you ever received a research grant for a sum greater than \$10,000? Broken out by frequency of library visits within a month.	30
Table 2.1:	How many grants have you applied for within the past 12 months?	31
Table 2.2:	How many grants have you applied for within the past 12 months? Broken out for faculty in the United States or Canada.	31
Table 2.3:	How many grants have you applied for within the past 12 months? Broken out by general Carnegie class of the institutions.	31
Table 2.4:	How many grants have you applied for within the past 12 months? Broken out by faculty in public or private colleges.	31
Table 2.5:	How many grants have you applied for within the past 12 months? Broken out by the enrollment level of the colleges.	32
Table 2.6:	How many grants have you applied for within the past 12 months? Broken out by the age of a faculty member.	32
Table 2.7:	How many grants have you applied for within the past 12 months? Broken out by professional rank.	32
Table 2.8:	How many grants have you applied for within the past 12 months? Broken out by the personal political views of a faculty member.	33
Table 2.9:	How many grants have you applied for within the past 12 months? Broken out by the personal income level of a faculty member.	33
Table 2.10:	How many grants have you applied for within the past 12 months? Broken out by the tenure status of a faculty member.	33
Table 2.11:	How many grants have you applied for within the past 12 months? Broken out by an academic field.	34
Table 2.12:	How many grants have you applied for within the past 12 months? Broken out by extent of database use within a week.	35
Table 2.13:	How many grants have you applied for within the past 12 months? Broken out by frequency of library visits within a month.	35
Table 3.1:	In the twelve months period prior to the last 12 months, How many grants had you applied for?	36
Table 3.2:	In the twelve months period prior to the last 12 months, How many grants had you applied for? Broken out for faculty in the United States or Canada.	36
Table 3.3:	In the twelve months period prior to the last 12 months, How many grants had you applied for? Broken out by general Carnegie class of the institutions.	36
Table 3.4:	In the twelve months period prior to the last 12 months, How many grants had you applied for? Broken out by faculty in public or private colleges.	37
Table 3.5:	In the twelve months period prior to the last 12 months, How many grants had you applied for? Broken out by the enrollment level of the colleges.	37
Table 3.6:	In the twelve months period prior to the last 12 months, How many grants had you applied for? Broken out by the age of a faculty member.	37

Table 3.7:	In the twelve months period prior to the last 12 months, How many grants had you applied for? Broken out by professional rank.	38
Table 3.8:	In the twelve months period prior to the last 12 months, How many grants had you applied for? Broken out by the personal political views of a faculty member.	38
Table 3.9:	In the twelve months period prior to the last 12 months, How many grants had you applied for? Broken out by the personal income level of a faculty member.	38
Table 3.10:	In the twelve months period prior to the last 12 months, How many grants had you applied for? Broken out by the tenure status of a faculty member.	39
Table 3.11:	In the twelve months period prior to the last 12 months, How many grants had you applied for? Broken out by an academic field.	40
Table 3.12:	In the twelve months period prior to the last 12 months, How many grants had you applied for? Broken out by extent of database use within a week.	41
Table 3.13:	In the twelve months period prior to the last 12 months, How many grants had you applied for? Broken out by frequency of library visits within a month.	41
Table 4.1:	How would you characterize grant conditions in your field?	42
Table 4.2:	How would you characterize grant conditions in your field? Broken out for faculty in the United States or Canada.	42
Table 4.3:	How would you characterize grant conditions in your field? Broken out by general Carnegie class of the institutions.	43
Table 4.4:	How would you characterize grant conditions in your field? Broken out by faculty in public or private colleges.	43
Table 4.5:	How would you characterize grant conditions in your field? Broken out by the enrollment level of the colleges.	44
Table 4.6:	How would you characterize grant conditions in your field? Broken out by the age of a faculty member.	44
Table 4.7:	How would you characterize grant conditions in your field? Broken out by professional rank.	44
Table 4.8:	How would you characterize grant conditions in your field? Broken out by the personal political views of a faculty member.	45
Table 4.9:	How would you characterize grant conditions in your field? Broken out by the personal income level of a faculty member.	45
Table 4.10:	How would you characterize grant conditions in your field? Broken out by the tenure status of a faculty member.	46
Table 4.11:	How would you characterize grant conditions in your field? Broken out by an academic field.	47
Table 4.12:	How would you characterize grant conditions in your field? Broken out by extent of database use within a week.	48
Table 4.13:	How would you characterize grant conditions in your field? Broken out by frequency of library visits within a month.	48
Table 5.1:	What percentage of the grant money that you have received in the past three years are internal grants paid for by your own college or university?	49
Table 5.2:	What percentage of the grant money that you have received in the past three years are internal grants paid for by your own college or university? Broken out for faculty in the United States or Canada.	49
Table 5.3:	What percentage of the grant money that you have received in the past three years are internal grants paid for by your own college or university? Broken out by general Carnegie class of the institutions.	49

Table 5.4:	What percentage of the grant money that you have received in the past three years are internal grants paid for by your own college or university? Broken out by faculty in public or private colleges.	50
Table 5.5:	What percentage of the grant money that you have received in the past three years are internal grants paid for by your own college or university? Broken out by the enrollment level of the colleges.	50
Table 5.6:	What percentage of the grant money that you have received in the past three years are internal grants paid for by your own college or university? Broken out by the age of a faculty member.	50
Table 5.7:	What percentage of the grant money that you have received in the past three years are internal grants paid for by your own college or university? Broken out by professional rank.	51
Table 5.8:	What percentage of the grant money that you have received in the past three years are internal grants paid for by your own college or university? Broken out by the personal political views of a faculty member.	51
Table 5.9:	What percentage of the grant money that you have received in the past three years are internal grants paid for by your own college or university? Broken out by the personal income level of a faculty member.	51
Table 5.10:	What percentage of the grant money that you have received in the past three years are internal grants paid for by your own college or university? Broken out by the tenure status of a faculty member.	52
Table 5.11:	What percentage of the grant money that you have received in the past three years are internal grants paid for by your own college or university? Broken out by an academic field.	53
Table 5.12:	What percentage of the grant money that you have received in the past three years are internal grants paid for by your own college or university? Broken out by extent of database use within a week.	54
Table 5.13:	What percentage of the grant money that you have received in the past three years are internal grants paid for by your own college or university? Broken out by frequency of library visits within a month.	54
Table 6.1:	What percentage of the grant money that you have received in the past three years are paid for by the U.S. federal government (or the government of Canada for Canadian researchers)?	55
Table 6.2:	What percentage of the grant money that you have received in the past three years are paid for by the U.S. federal government (or the government of Canada for Canadian researchers)? Broken out for faculty in the United States or Canada.	55
Table 6.3:	What percentage of the grant money that you have received in the past three years are paid for by the U.S. federal government (or the government of Canada for Canadian researchers)? Broken out by general Carnegie class of the institutions.	55
Table 6.4:	What percentage of the grant money that you have received in the past three years are paid for by the U.S. federal government (or the government of Canada for Canadian researchers)? Broken out by faculty in public or private colleges.	56
Table 6.5:	What percentage of the grant money that you have received in the past three years are paid for by the U.S. federal government (or the government of Canada for Canadian researchers)? Broken out by the enrollment level of the colleges.	56
Table 6.6:	What percentage of the grant money that you have received in the past three years are paid for by the U.S. federal government (or the government of Canada for Canadian researchers)? Broken out by the age of a faculty member.	56
Table 6.7:	What percentage of the grant money that you have received in the past three years are paid for by the U.S. federal government (or the government of Canada for Canadian researchers)? Broken out by professional rank.	57

Table 6.8:	What percentage of the grant money that you have received in the past three years are paid for by the U.S. federal government (or the government of Canada for Canadian researchers)? Broken out by the personal political views of a faculty member.	57
Table 6.9:	What percentage of the grant money that you have received in the past three years are paid for by the U.S. federal government (or the government of Canada for Canadian researchers)? Broken out by the personal income level of a faculty member.	57
Table 6.10:	What percentage of the grant money that you have received in the past three years are paid for by the U.S. federal government (or the government of Canada for Canadian researchers)? Broken out by the tenure status of a faculty member.	58
Table 6.11:	What percentage of the grant money that you have received in the past three years are paid for by the U.S. federal government (or the government of Canada for Canadian researchers)? Broken out by an academic field.	59
Table 6.12:	What percentage of the grant money that you have received in the past three years are paid for by the U.S. federal government (or the government of Canada for Canadian researchers)? Broken out by extent of database use within a week.	60
Table 6.13:	What percentage of the grant money that you have received in the past three years are paid for by the U.S. federal government (or the government of Canada for Canadian researchers)? Broken out by frequency of library visits within a month.	60
Table 7.1:	How much of your work time over the past month has been taken up by grant applications and other activities designed to raise research money?	61
Table 7.2:	How much of your work time over the past month has been taken up by grant applications and other activities designed to raise research money? Broken out for faculty in the United States or Canada.	61
Table 7.3:	How much of your work time over the past month has been taken up by grant applications and other activities designed to raise research money? Broken out by general Carnegie class of the institutions.	61
Table 7.4:	How much of your work time over the past month has been taken up by grant applications and other activities designed to raise research money? Broken out by faculty in public or private colleges.	62
Table 7.5:	How much of your work time over the past month has been taken up by grant applications and other activities designed to raise research money? Broken out by the enrollment level of the colleges.	62
Table 7.6:	How much of your work time over the past month has been taken up by grant applications and other activities designed to raise research money? Broken out by the age of a faculty member.	62
Table 7.7:	How much of your work time over the past month has been taken up by grant applications and other activities designed to raise research money? Broken out by professional rank.	63
Table 7.8:	How much of your work time over the past month has been taken up by grant applications and other activities designed to raise research money? Broken out by the personal political views of a faculty member.	63
Table 7.9:	How much of your work time over the past month has been taken up by grant applications and other activities designed to raise research money? Broken out by the personal income level of a faculty member.	63
Table 7.10:	How much of your work time over the past month has been taken up by grant applications and other activities designed to raise research money? Broken out by the tenure status of a faculty member.	64
Table 7.11:	How much of your work time over the past month has been taken up by grant applications and other activities designed to raise research money? Broken out by an academic field.	65
Table 7.12:	How much of your work time over the past month has been taken up by grant applications and other activities designed to raise research money? Broken out by extent of database use within a week.	66

Table 7.13:	How much of your work time over the past month has been taken up by grant applications and other activities designed to raise research money? Broken out by frequency of library visits within a month.	66
Table 8.1:	In the past year have you received any aid or discretionary grants to pay for or defray the costs of publication, travel or other research support activities?	67
Table 8.2:	In the past year have you received any aid or discretionary grants to pay for or defray the costs of publication, travel or other research support activities? Broken out for faculty in the United States or Canada.	67
Table 8.3:	In the past year have you received any aid or discretionary grants to pay for or defray the costs of publication, travel or other research support activities? Broken out by general Carnegie class of the institutions.	67
