

TABLE OF CONTENTS

SURVEY PARTICIPANTS	14
THE QUESTIONNAIRE	16
SUMMARY OF MAIN FINDINGS	23
CHARACTERISTICS OF THE SAMPLE.....	29
Country.....	29
Type of Library	29
Carnegie Class.....	29
Total Student Enrollment.....	29
CHAPTER 1: BUDGET INFORMATION	30
Table 1: What is the total number of students in biology or life sciences related disciplines enrolled in your college?.....	30
Table 2: What is the total number of students in biology or life sciences related disciplines enrolled in your college? Broken out by Country.....	30
Table 3: What is the total number of students in biology or life sciences related disciplines enrolled in your college? Broken out by Type of Library	30
Table 4: What is the total number of students in biology or life sciences related disciplines enrolled in your college? Broken out by Carnegie Class	30
Table 5: What is the total number of students in biology or life sciences related disciplines enrolled in your college? Broken out by Total Student Enrollment.....	31
Table 6.1: Does your library have a specific budgetary allocation for materials in biology and/or the life sciences?	31
Table 6.2: Does your library have a specific budgetary allocation for materials in biology and/or the life sciences? Broken out by Country	31
Table 6.3: Does your library have a specific budgetary allocation for materials in biology and/or the life sciences? Broken out by Type of Library.....	31
Table 6.4: Does your library have a specific budgetary allocation for materials in biology and/or the life sciences? Broken out by Carnegie Class.....	31
Table 6.5: Does your library have a specific budgetary allocation for materials in biology and/or the life sciences? Broken out by Total Student Enrollment.....	32
Table 7: If your library has a budgetary allocation for materials in biology or the life sciences, how much was or will it be for the following years?.....	32
Table 7.1: Materials Budget in 2011	32
Table 7.2: Materials Budget in 2012	32
Table 7.3: Materials Budget in 2013	32
Table 8: If your library has a budgetary allocation for materials in biology or the life sciences, how much was or will it be for the following years? Broken out by Country.....	32
Table 8.1: Materials Budget in 2011	32
Table 8.2: Materials Budget in 2012	32
Table 8.3: Materials Budget in 2013	33

Table 9: If your library has a budgetary allocation for materials in biology or the life sciences, how much was or will it be for the following years? Broken out by Type of Library	33
Table 9.1: Materials Budget in 2011	33
Table 9.2: Materials Budget in 2012	33
Table 9.3: Materials Budget in 2013	33
Table 10: If your library has a budgetary allocation for materials in biology or the life sciences, how much was or will it be for the following years? Broken out by Carnegie Class	34
Table 10.1: Materials Budget in 2011.....	34
Table 10.2: Materials Budget in 2012.....	34
Table 10.3: Materials Budget in 2013.....	34
Table 11: If your library has a budgetary allocation for materials in biology or the life sciences, how much was or will it be for the following years? Broken out by Total Student Enrollment.....	35
Table 11.1: Materials Budget in 2011.....	35
Table 11.2: Materials Budget in 2012.....	35
Table 11.3: Materials Budget in 2013.....	35
Table 12.1: Has your library received contributions from other departments of your college, company or agency so that you can better afford some information sources desired by this department?	35
Table 12.2: Has your library received contributions from other departments of your college, company or agency so that you can better afford some information sources desired by this department? Broken out by Country	35
Table 12.3: Has your library received contributions from other departments of your college, company or agency so that you can better afford some information sources desired by this department? Broken out by Type of Library.....	36
Table 12.4: Has your library received contributions from other departments of your college, company or agency so that you can better afford some information sources desired by this department? Broken out by Carnegie Class.....	36
Table 12.5: Has your library received contributions from other departments of your college, company or agency so that you can better afford some information sources desired by this department? Broken out by Total Student Enrollment	36
Table 13.1: If your library received contributions from other departments of your college, company or agency so that you can better afford some information sources, how much have you received in the past year?	36
Table 13.2: If your library received contributions from other departments of your college, company or agency so that you can better afford some information sources, how much have you received in the past year?	37
Table 13.3: If your library received contributions from other departments of your college, company or agency so that you can better afford some information sources, how much have you received in the past year?	37
Table 13.4: If your library received contributions from other departments of your college, company or agency so that you can better afford some information sources, how much have you received in the past year?	37

Table 13.5: If your library received contributions from other departments of your college, company or agency so that you can better afford some information sources, how much have you received in the past year?	37
Table 14.1: Does your library have an endowment, grant or other special allocation that falls outside of the normal library budget but that supplements purchases in your subject area?	37
Table 14.2: Does your library have an endowment, grant or other special allocation that falls outside of the normal library budget but that supplements purchases in your subject area? Broken out by Country	38
Table 14.3: Does your library have an endowment, grant or other special allocation that falls outside of the normal library budget but that supplements purchases in your subject area? Broken out by Type of Library.....	38
Table 14.4: Does your library have an endowment, grant or other special allocation that falls outside of the normal library budget but that supplements purchases in your subject area? Broken out by Carnegie Class.....	38
Table 14.5: Does your library have an endowment, grant or other special allocation that falls outside of the normal library budget but that supplements purchases in your subject area? Broken out by Total Student Enrollment.....	38
Table 15.1: If your library has an endowment that falls outside of the normal library budget but that supplements purchases in your subject area, how much did this source provide in the past year?	39
Table 15.2: If your library has an endowment that falls outside of the normal library budget but that supplements purchases in your subject area, how much did this source provide in the past year? Broken out by Country.....	39
Table 15.3: If your library has an endowment that falls outside of the normal library budget but that supplements purchases in your subject area, how much did this source provide in the past year? Broken out by Type of Library.....	39
Table 15.4: If your library has an endowment that falls outside of the normal library budget but that supplements purchases in your subject area, how much did this source provide in the past year? Broken out by Carnegie Class	39
Table 15.5: If your library has an endowment that falls outside of the normal library budget but that supplements purchases in your subject area, how much did this source provide in the past year? Broken out by Total Student Enrollment.....	40
Table 16.1: In recent years how has materials spending in your subject area fared vis-à-vis the trend in the library's total materials spending?	40
Table 16.2: In recent years how has materials spending in your subject area fared vis-à-vis the trend in the library's total materials spending? Broken out by Country	40
Table 16.3: In recent years how has materials spending in your subject area fared vis-à-vis the trend in the library's total materials spending? Broken out by Type of Library....	41
Table 16.4: In recent years how has materials spending in your subject area fared vis-à-vis the trend in the library's total materials spending? Broken out by Carnegie Class.....	41
Table 16.5: In recent years how has materials spending in your subject area fared vis-à-vis the trend in the library's total materials spending? Broken out by Total Student Enrollment.....	41

CHAPTER 2: MATERIALS PRICES	42
Table 17: How much, in percentage terms, have prices changed for the following types of resources in your subject area over the past year?	42
Table 17.1: Price Change for Print Books	42
Table 17.2: Price Change for E-books.....	42
Table 17.3: Price Change for Journals	42
Table 17.4: Price Change for Databases	42
Table 18: How much, in percentage terms, have prices changed for the following types of resources in your subject area over the past year? Broken out by Country	42
Table 18.1: Price Change for Print Books	42
Table 18.2: Price Change for E-books.....	42
Table 18.3: Price Change for Journals	43
Table 18.4: Price Change for Databases	43
Table 19: How much, in percentage terms, have prices changed for the following types of resources in your subject area over the past year? Broken out by Type of Library.....	43
Table 19.1: Price Change for Print Books	43
Table 19.2: Price Change for E-books.....	43
Table 19.3: Price Change for Journals	43
Table 19.4: Price Change for Databases	43
Table 20: How much, in percentage terms, have prices changed for the following types of resources in your subject area over the past year? Broken out by Carnegie Class	44
Table 20.1: Price Change for Print Books	44
Table 20.2: Price Change for E-books.....	44
Table 20.3: Price Change for Journals	44
Table 20.4: Price Change for Databases	44
Table 21: How much have prices changed for the following types of resources in your subject area over the past year? Broken out by Total Student Enrollment	45
Table 21.1: Price Change for Print Books	45
Table 21.2: Price Change for E-books.....	45
Table 21.3: Price Change for Journals	45
Table 21.4: Price Change for Databases	45
Has the use of institutional digital repositories increased your bargaining power with medical or biology journal publishers, or enabled you to get better subscription prices or do without journal subscriptions that you previously purchased? If so, to what extent?	45
CHAPTER 3: DEMAND FOR PARTICULAR INFORMATION FORMATS AND DELIVERY VEHICLES.....	47
Table 22: How much did the library spend for print books in your subject area in the following years?	47
Table 22.1: Print Book Spending in 2011	47
Table 22.2: Print Book Spending in 2012	47
Table 22.3: Print Book Spending in 2013	47
Table 23: How much did the library spend for print books in your subject area in the following years? Broken out by Country	47
Table 23.1: Print Book Spending in 2011	47
Table 23.2: Print Book Spending in 2012	47

Table 23.3: Print Book Spending in 2013	47
Table 24: How much did the library spend for print books in your subject area in the following years? Broken out by Type of Library.....	48
Table 24.1: Print Book Spending in 2011	48
Table 24.2: Print Book Spending in 2012	48
Table 24.3: Print Book Spending in 2013	48
Table 25: How much did the library spend for print books in your subject area in the following years? Broken out by Carnegie Class.....	48
Table 25.1: Print Book Spending in 2011	48
Table 25.2: Print Book Spending in 2012	49
Table 25.3: Print Book Spending in 2013	49
Table 26: How much did the library spend for print books in your subject area in the following years? Broken out by Total Student Enrollment.....	49
Table 26.1: Print Book Spending in 2011	49
Table 26.2: Print Book Spending in 2012	49
Table 26.3: Print Book Spending in 2013	49
Table 27: How much did the library spend for e-books in your subject area in the following years?	50
Table 27.1: E-book Spending in 2011.....	50
Table 27.2: E-book Spending in 2012.....	50
Table 27.3: E-book Spending in 2013.....	50
Table 28: How much did the library spend for e-books in your subject area in the following years? Broken out by Country	50
Table 28.1: E-book Spending in 2011.....	50
Table 28.2: E-book Spending in 2012.....	50
Table 28.3: E-book Spending in 2013.....	50
Table 29: How much did the library spend for e-books in your subject area in the following years? Broken out by Type of Library.....	51
Table 29.1: E-book Spending in 2011.....	51
Table 29.2: E-book Spending in 2012.....	51
Table 29.3: E-book Spending in 2013.....	51
Table 30: How much did the library spend for e-books in your subject area in the following years? Broken out by Carnegie Class.....	51
Table 30.1: E-book Spending in 2011.....	51
Table 30.2: E-book Spending in 2012.....	51
Table 30.3: E-book Spending in 2013.....	52
Table 31: How much did the library spend for e-books in your subject area in the following years? Broken out by Total Student Enrollment.....	52
Table 31.1: E-book Spending in 2011.....	52
Table 31.2: E-book Spending in 2012.....	52
Table 31.3: E-book Spending in 2013.....	52
What has been the impact of e-books on your subject area? Do your patrons utilize e-books much? Which collections? What is your collections strategy in the area?	53
Table 32: What percentage of your library's purchases in biology and life sciences were accounted for by purchases from university presses?.....	54
Table 32.1: Percentage of Print and Monograph Purchases from University Presses....	54

Table 32.2: Percentage of E-book Purchases from University Presses	54
Table 33: What percentage of your library's purchases in biology and life sciences were accounted for by purchases from university presses? Broken out by Country	54
Table 33.1: Percentage of Print and Monograph Purchases from University Presses....	54
Table 33.2: Percentage of E-book Purchases from University Presses	54
Table 34: What percentage of your library's purchases in biology and life sciences were accounted for by purchases from university presses? Broken out by Type of Library	54
Table 34.1: Percentage of Print and Monograph Purchases from University Presses....	54
Table 34.2: Percentage of E-book Purchases from University Presses	55
Table 35: What percentage of your library's purchases in biology and life sciences were accounted for by purchases from university presses? Broken out by Carnegie Class.....	55
Table 35.1: Percentage of Print and Monograph Purchases from University Presses....	55
Table 35.2: Percentage of E-book Purchases from University Presses	55
Table 36: What percentage of your library's purchases in biology and life sciences were accounted for by purchases from university presses? Broken out by Total Student Enrollment.....	55
Table 36.1: Percentage of Print and Monograph Purchases from University Presses....	55
Table 36.2: Percentage of E-book Purchases from University Presses	55
Which five biology and life sciences publishers have accounted for the largest share of your purchasing volume in the past year?	56
How have e-books impacted your subject area? Which particular e-book collections, titles or services do patrons in your subject area use most frequently or value the most? Are there developing collections or e-book services that you are interested in acquiring?	56
Table 37: How much did the library spend for specialized databases that largely serve your subject area in the following years?.....	56
Table 37.1: Specialized Database Spending in 2011	56
Table 37.2: Specialized Database Spending in 2012	56
Table 37.3: Specialized Database Spending in 2013	57
Table 38: How much did the library spend for specialized databases that largely serve your subject area in the following years? Broken out by Country.....	57
Table 38.1: Specialized Database Spending in 2011	57
Table 38.2: Specialized Database Spending in 2012	57
Table 38.3: Specialized Database Spending in 2013	57
Table 39: How much did the library spend for specialized databases that largely serve your subject area in the following years? Broken out by Type of Library	57
Table 39.1: Specialized Database Spending in 2011	57
Table 39.2: Specialized Database Spending in 2012	57
Table 39.3: Specialized Database Spending in 2013	58
Table 40: How much did the library spend for specialized databases that largely serve your subject area in the following years? Broken out by Carnegie Class.....	58
Table 40.1: Specialized Database Spending in 2011	58
Table 40.2: Specialized Database Spending in 2012	58
Table 40.3: Specialized Database Spending in 2013	58
Table 41: How much did the library spend for specialized databases that largely serve your subject area in the following years? Broken out by Total Student Enrollment.....	58

Table 41.1: Specialized Database Spending in 2011	58
Table 41.2: Specialized Database Spending in 2012	59
Table 41.3: Specialized Database Spending in 2013	59
What five databases in your subject area do you feel are most useful to you and your patrons?	59
Table 42: How much did your library spend for scholarly journals in your subject area in the following years?	59
Table 42.1: Scholarly Journal Spending in 2011	59
Table 42.2: Scholarly Journal Spending in 2012	59
Table 42.3: Scholarly Journal Spending in 2013	60
Table 43: How much did your library spend for scholarly journals in your subject area in the following years? Broken out by Country	60
Table 43.1: Scholarly Journal Spending in 2011	60
Table 43.2: Scholarly Journal Spending in 2012	60
Table 43.3: Scholarly Journal Spending in 2013	60
Table 44: How much did your library spend for scholarly journals in your subject area in the following years? Broken out by Type of Library.....	60
Table 44.1: Scholarly Journal Spending in 2011	60
Table 44.2: Scholarly Journal Spending in 2012	60
Table 44.3: Scholarly Journal Spending in 2013	61
Table 45: How much did your library spend for scholarly journals in your subject area in the following years? Broken out by Carnegie Class.....	61
Table 45.1: Scholarly Journal Spending in 2011	61
Table 45.2: Scholarly Journal Spending in 2012	61
Table 45.3: Scholarly Journal Spending in 2013	61
Table 46: How much did your library spend for scholarly journals in your subject area in the following years? Broken out by Total Student Enrollment.....	61
Table 46.1: Scholarly Journal Spending in 2011	61
Table 46.2: Scholarly Journal Spending in 2012	61
Table 46.3: Scholarly Journal Spending in 2013	62
Table 47.1: For what percentage of journal subscriptions in your subject area for which you pay a fee do you maintain paper access, either in addition to electronic access or instead of it?.....	62
Table 47.2: For what percentage of journal subscriptions in your subject area for which you pay a fee do you maintain paper access, either in addition to electronic access or instead of it? Broken out by Country	62
Table 47.3: For what percentage of journal subscriptions in your subject area for which you pay a fee do you maintain paper access, either in addition to electronic access or instead of it? Broken out by Type of Library	62
Table 47.4: For what percentage of journal subscriptions in your subject area for which you pay a fee do you maintain paper access, either in addition to electronic access or instead of it? Broken out by Carnegie Class	62
Table 47.5: For what percentage of journal subscriptions in your subject area for which you pay a fee do you maintain paper access, either in addition to electronic access or instead of it? Broken out by Total Student Enrollment	63

Table 48.1: What percentage of use of the journals in your library collection in your subject area is accounted for by the use of open access journals?.....	63
Table 48.2: What percentage of use of the journals in your library collection in your subject area is accounted for by the use of open access journals? Broken out by Country	63
Table 48.3: What percentage of use of the journals in your library collection in your subject area is accounted for by the use of open access journals? Broken out by Type of Library.....	63
Table 48.4: What percentage of use of the journals in your library collection in your subject area is accounted for by the use of open access journals? Broken out by Carnegie Class.....	63
Table 48.5: What percentage of use of the journals in your library collection in your subject area is accounted for by the use of open access journals? Broken out by Total Student Enrollment.....	64
Table 49.1: If you are a college library, do authors from your subject area contribute to an institutional digital repository maintained by the library?.....	64
Table 49.2: If you are a college library, do authors from your subject area contribute to an institutional digital repository maintained by the library? Broken out by Country.....	64
Table 49.3: If you are a college library, do authors from your subject area contribute to an institutional digital repository maintained by the library? Broken out by Type of Library.....	64
Table 49.4: If you are a college library, do authors from your subject area contribute to an institutional digital repository maintained by the library? Broken out by Carnegie Class.....	64
Table 49.5: If you are a college library, do authors from your subject area contribute to an institutional digital repository maintained by the library? Broken out by Total Student Enrollment.....	65
CHAPTER 4: SUBJECT SPECIFIC ACQUISITION PLANS.....	66
Table 50: What are your collection plans for the following areas?.....	66
Table 51: What are your collection plans for the following areas? Broken out by Country	68
Table 51.1: Anatomy Collection Plans.....	68
Table 51.2: Biochemistry Collection Plans.....	68
Table 51.3: Bioethics Collection Plans.....	68
Table 51.4: Biostatistics/Epidemiology Collection Plans	68

Table 54.16: Pharmacology Collection Plans.....	77
Table 54.17: Physiology Collection Plans.....	78
Table 54.18: Virology Collection Plans.....	78

Which new databases or information products introduced in the past five years have or will become essential and "must have" information sources in your subject area?.....78

CHAPTER 5: INFORMATION LITERACY..... 79

Table 55.1: Do you feel that your subject area is adequately dealt with in your organization's information literacy efforts?.....79

Table 55.2: Do you feel that your subject area is adequately dealt with in your organization's information literacy efforts? Broken out by Country.....79

Table 55.3: Do you feel that your subject area is adequately dealt with in your organization's information literacy efforts? Broken out by Type of Library79

Table 55.4: Do you feel that your subject area is adequately dealt with in your organization's information literacy efforts? Broken out by Carnegie Class79

Table 55.5: Do you feel that your subject area is adequately dealt with in your organization's information literacy efforts? Broken out by Total Student Enrollment.....80

Table 56: What percentage of your personal work time is spent on the following issues?80

Table 56.1: Work Time Spent on General Information Literacy Including Classroom Time, Tutoring, Reference Desk, Preparation and Oversight of Training Materials.....80

Table 56.2: Work Time Spent on Collection Development Planning, Testing and Procurement of Materials and Information Resources.....80

Table 57: What percentage of your personal work time is spent on the following issues? Broken out by Country80

Table 57.1: Work Time Spent on General Information Literacy Including Classroom Time, Tutoring, Reference Desk, Preparation and Oversight of Training Materials.....80

Table 57.2: Work Time Spent on Collection Development Planning, Testing and Procurement of Materials and Information Resources.....80

Table 58: What percentage of your personal work time is spent on the following issues? Broken out by Type of Library.....81

Table 58.1: Work Time Spent on General Information Literacy Including Classroom Time, Tutoring, Reference Desk, Preparation and Oversight of Training Materials.....81

Table 58.2: Work Time Spent on Collection Development Planning, Testing and Procurement of Materials and Information Resources.....81

Table 59: What percentage of your personal work time is spent on the following issues? Broken out by Carnegie Class.....81

Table 59.1: Work Time Spent on General Information Literacy Including Classroom Time, Tutoring, Reference Desk, Preparation and Oversight of Training Materials.....81

Table 59.2: Work Time Spent on Collection Development Planning, Testing and Procurement of Materials and Information Resources.....82

Table 60: What percentage of your personal work time is spent on the following issues? Broken out by Total Student Enrollment.....82

Table 60.1: Work Time Spent on General Information Literacy Including Classroom Time, Tutoring, Reference Desk, Preparation and Oversight of Training Materials.....82

Table 60.2: Work Time Spent on Collection Development Planning, Testing and Procurement of Materials and Information Resources.....82

CHAPTER 6: RELATIONS WITH LIBRARY PATRONS.....	83
Table 61.1: In the past year, how many specific suggestions have you received from library patrons to purchase particular monographs, books, databases, journals or other information resources?	83
Table 61.2: In the past year, how many specific suggestions have you received from library patrons to purchase particular monographs, books, databases, journals or other information resources? Broken out by Country.....	83
Table 61.3: In the past year, how many specific suggestions have you received from library patrons to purchase particular monographs, books, databases, journals or other information resources? Broken out by Type of Library	83
Table 61.4: In the past year, how many specific suggestions have you received from library patrons to purchase particular monographs, books, databases, journals or other information resources? Broken out by Carnegie Class	83
Table 61.5: In the past year, how many specific suggestions have you received from library patrons to purchase particular monographs, books, databases, journals or other information resources? Broken out by Total Student Enrollment.....	84
Table 62.1: Does your institution have a specifically designated individual in the library patron community who acts as a liaison with the library?	84
Table 62.2: Does your institution have a specifically designated individual in the library patron community who acts as a liaison with the library? Broken out by Country	84
Table 62.3: Does your institution have a specifically designated individual in the library patron community who acts as a liaison with the library? Broken out by Type of Library	84
Table 62.4: Does your institution have a specifically designated individual in the library patron community who acts as a liaison with the library? Broken out by Carnegie Class	85
Table 62.5: Does your institution have a specifically designated individual in the library patron community who acts as a liaison with the library? Broken out by Total Student Enrollment.....	85
Table 63.1: Which phrase best describes the level of involvement of library patrons in your subject area in acquisitions decision making?	85
Table 63.2: Which phrase best describes the level of involvement of library patrons in your subject area in acquisitions decision making? Broken out by Country	85
Table 63.3: Which phrase best describes the level of involvement of library patrons in your subject area in acquisitions decision making? Broken out by Type of Library.....	86
Table 63.4: Which phrase best describes the level of involvement of library patrons in your subject area in acquisitions decision making? Broken out by Carnegie Class.....	86
Table 63.5: Which phrase best describes the level of involvement of library patrons in your subject area in acquisitions decision making? Broken out by Total Student Enrollment.....	86
Describe how you handle liaison with academic or corporate departments or other end-users of your information materials. How do you obtain their opinions? Do you survey them? Meet with them? Hold meetings? If your end-user is the general public or a student body, how do you assess their collection needs?	87

CHAPTER 7: TRENDS IN YOUR SUBJECT AREA.....	88
What are a few library resources that you feel are under appreciated in your subject area?	88
Table 64.1: Which phrase best describes the patron base in your subject area?	88
Table 64.2: Which phrase best describes the patron base in your subject area? Broken out by Country	88
Table 64.3: Which phrase best describes the patron base in your subject area? Broken out by Type of Library	88
Table 64.4: Which phrase best describes the patron base in your subject area? Broken out by Carnegie Class.....	89
Table 64.5: Which phrase best describes the patron base in your subject area? Broken out by Total Student Enrollment	89
Over the past three years what areas of knowledge, publications or authors have newly become for you part of the "must have" collection development core in biology and life sciences?	89
As you look to the future, what issues or subject areas do you feel you will be called upon to address in the near future? Do patrons demand particular technologies? What areas of knowledge in your field require greater investment and new resources?	90
CHAPTER 8: DATA IN COLLECTION DEVELOPMENT DECISIONS.....	91
How do you gather data for collection development? What usage statistics do you consider and how often do you review them? Do you produce a report for your subject area?	91
Table 66.1: Have you ever monitored publications produced by the faculty or staff of your organization to evaluate the extent to which your library holds journals or other publications cited in works published by them?	91
Table 66.2: Have you ever monitored publications produced by the faculty or staff of your organization to evaluate the extent to which your library holds journals or other publications cited in works published by them? Broken out by Country.....	91
Table 66.3: Have you ever monitored publications produced by the faculty or staff of your organization to evaluate the extent to which your library holds journals or other publications cited in works published by them? Broken out by Type of Library	92
Table 66.4: Have you ever monitored publications produced by the faculty or staff of your organization to evaluate the extent to which your library holds journals or other publications cited in works published by them? Broken out by Carnegie Class	92
Table 66.5: Have you ever monitored publications produced by the faculty or staff of your organization to evaluate the extent to which your library holds journals or other publications cited in works published by them? Broken out by Total Student Enrollment	92
