THE SURVEY OF LIBRARY CAFES & FOOD SERVICE, 2014 EDITION 1
SURVEY PARTICIPANTS 9
Characteristics of the Sample 11
Best Selling Products 11
Expansion Plans 11
Catering 12
Salary Costs 12
Information Technology in the Cafe 12
Outlets for Wireless Devices 12
Outdoor Seating 12
Seating Capacity of the Cafe 13
Impact of the Café on Library Use 13
Vending Machines in the Library 13
Part Time Employees in the Café 13
Table 1.1 Approximately how many visitors did the library have in the past year? 15
Table 1.2 Approximately how many visitors did the library have in the past year? Broken out for Public and Academic Libraries 15
Table 1.3 Approximately how many visitors did the library have in the past year? Broken out by Number of Library Visitors 15
Table 1.4 Approximately how many visitors did the library have in the past year? Broken out by Size of Library's Annual Budget 16
Table 2.1 Your library's approximate annual budget for all costs is? (in $US) 16
Table 2.2 Your library's approximate annual budget for all costs is? Broken out for Public and Academic Libraries 16
Table 2.3 Your library's approximate annual budget for all costs is? Broken out by Number of Library Visitors 17
Table 2.4 Your library's approximate annual budget for all costs is? Broken out by Size of Library's Annual Budget 17
Please describe the institutional entity for which you will be answering the questions 18
BEST AND WORST SELLING FOOD PRODUCTS 20
Please tell us what are some of your best-selling food products? 20
Please tell us what are some of the slowest moving food and beverage products that you might like to eliminate from the menu? 21
Table 3 Does your library have any of the following types of food service operations: (check all that apply) 22
Table 3.1.1 Does your library have a Café? 22
Table 3.1.2 Does your library have a Café? Broken out for Public and Academic Libraries 22
Table 3.1.3 Does your library have a Café? Broken out by Number of Library Visitors 22
Table 3.1.4 Does your library have a Café? Broken out by Size of Library's Annual Budget 23

Table 3.2.1 Does your library have a Restaurant? 23
Table 3.3.1 Does your library have Mobile Carts to Sell Food? 23
Table 3.3.2 Does your library have Mobile Carts to Sell Food? Broken out for Public and Academic Libraries 23
Table 3.3.3 Does your library have Mobile Carts to Sell Food? Broken out by Number of Library Visitors 24
Table 3.3.4 Does your library have Mobile Carts to Sell Food? Broken out by Size of Library's Annual Budget 24
Table 3.4.1 Does your library have Vending Machines? 24
Table 3.4.2 Does your library have Vending Machines? Broken out for Public and Academic Libraries 24
Table 3.4.3 Does your library have Vending Machines? Broken out by Number of Library Visitors 25
Table 3.4.4 Does your library have Vending Machines? Broken out by Size of Library's Annual Budget 25
SALES VOLUME 26
Table 4.1 Does the library plan any expansion or redesign of its food service or cafe operations over the next 3 years? 26
Table 4.2 Does the library plan any expansion or redesign of its food service or cafe operations over the next 3 years? Broken out for Public and Academic Libraries 26
Table 4.3 Does the library plan any expansion or redesign of its food service or cafe operations over the next 3 years? Broken out by Number of Library Visitors 27
Table 4.4 Does the library plan any expansion or redesign of its food service or cafe operations over the next 3 years? Broken out by Size of Library's Annual Budget 27
If so describe your plans or those of the firm holding a concession to the library's food service if this is the case. 28
Where will the funds come from to upgrade, alter, expand or otherwise improve your café or food service operations? 29
Table 5.1 Which of the following generates the most income for the library food service operations? 30
Table 5.2 Which of the following generates the most income for the library food service operations? Broken out for Public and Academic Libraries 30
Table 5.3 Which of the following generates the most income for the library food service operations? Broken out by Number of Library Visitors 30
Table 5.4 Which of the following generates the most income for the library food service operations? Broken out by Size of Library's Annual Budget 31
Table 6 Approximately what estimated percentage of revenues are accounted for by the following types of items? 32
Table 6.1.1 Approximately what estimated percentage of revenues are accounted for by bagels, croissants, and muffins? 32
Table 6.1.2 Approximately what estimated percentage of revenues are accounted for by bagels, croissants, muffins? Broken out for Public and Academic Libraries 32
Table 6.1.3 Approximately what estimated percentage of revenues are accounted for by bagels, croissants, muffins? Broken out by Number of Library Visitors 32
Table 6.1.4 Approximately what estimated percentage of revenues are accounted for by bagels, croissants, muffins? Broken out by Size of Library's Annual Budget 33

Table 6.2.1 Approximately what estimated percentage of revenues are accounted for by soda, iced tea, fruit juice and other cold drinks? 33
Table 6.2.2 Approximately what estimated percentage of revenues are accounted for by soda, iced tea, fruit juice and other cold drinks? Broken out for Public and Academic Libraries 33
Table 6.2.3 Approximately what estimated percentage of revenues are accounted for by soda, iced tea, fruit juice and other cold drinks? Broken out by Number of Library Visitors 34
Table 6.2.4 Approximately what estimated percentage of revenues are accounted for by soda, iced tea, fruit juice and other cold drinks? Broken out by Size of Library's Annual Budget 34
Table 6.3.1 Approximately what estimated percentage of revenues are accounted for by sandwiches? 35
Table 6.3.2 Approximately what estimated percentage of revenues are accounted for by sandwiches? Broken out for Public and Academic Libraries 35
Table 6.3.3 Approximately what estimated percentage of revenues are accounted for by sandwiches? Broken out by Number of Library Visitors 35
Table 6.3.4 Approximately what estimated percentage of revenues are accounted for by sandwiches? Broken out by Size of Library's Annual Budget 36
Table 6.5.1 Approximately what estimated percentage of revenues are accounted for by fruit? 36
Table 6.5.2 Approximately what estimated percentage of revenues are accounted for by fruit? Broken out for Public and Academic Libraries 36
Table 6.5.3 Approximately what estimated percentage of revenues are accounted for by fruit? Broken out by Number of Library Visitors 37
Table 6.5.4 Approximately what estimated percentage of revenues are accounted for by fruit? Broken out by Size of Library's Annual Budget 37
Table 6.6.1 Approximately what estimated percentage of revenues are accounted for by yogurt? 38
Table 6.6.2 Approximately what estimated percentage of revenues are accounted for by yogurt? Broken out for Public and Academic Libraries 38
Table 6.6.3 Approximately what estimated percentage of revenues are accounted for by yogurt? Broken out by Number of Library Visitors 38
Table 6.6.4 Approximately what estimated percentage of revenues are accounted for by yogurt? Broken out by Size of Library's Annual Budget: 39
Table 6.7.1 Approximately what estimated percentage of revenues are accounted for by salads? 40
Table 6.7.2 Approximately what estimated percentage of revenues are accounted for by salads? Broken out for Public and Academic Libraries 40
Table 6.7.3 Approximately what estimated percentage of revenues are accounted for by salads? Broken out by Number of Library Visitors 40
Table 6.7.4 Approximately what estimated percentage of revenues are accounted for by salads? Broken out by Size of Library's Annual Budget 41
Table 6.8.1 Approximately what estimated percentage of revenues are accounted for by coffee and coffee products? 42

Table 6.8.2 Approximately what estimated percentage of revenues are accounted for by coffee and coffee products? Broken out for Public and Academic Libraries 42
Table 6.8.3 Approximately what estimated percentage of revenues are accounted for by coffee and coffee products? Broken out by Number of Library Visitors....42
Table 6.8.4 Approximately what estimated percentage of revenues are accounted for by coffee and coffee products? Broken out by Size of Library's Annual Budget 43
Table 7 Does your cafe or restaurant cater special events in any of the following locales: Off Campus? 44
Table 7.1.1 Does your cafe or restaurant cater special events off campus?....44
Table 7.1.2 Does your cafe or restaurant cater special events off campus? Broken out for Public and Academic Libraries....44
Table 7.1.3 Does your cafe or restaurant cater special events off campus? Broken out by Number of Library Visitors....44
Table 7.1.4 Does your cafe or restaurant cater special events off campus? Broken out by Size of Library's Annual Budget....45
Table 7.2.1 Does your cafe or restaurant cater special events In the Library?....45
Table 7.2.2 Does your cafe or restaurant cater special events In the Library? Broken out for Public and Academic Libraries....45
Table 7.2.3 Does your cafe or restaurant cater special events In the Library? Broken out by Number of Library Visitors....45
Table 7.2.4 Does your cafe or restaurant cater special events In the Library? Broken out by Size of Library's Annual Budget....46
Table 7.3.1 Does your cafe or restaurant cater special events On Campus but not in the Library?....46
Table 7.3.2 Does your cafe or restaurant cater special events On Campus but not in the Library? Broken out for Public and Academic Libraries 46
Table 7.3.3 Does your cafe or restaurant cater special events On Campus but not in the Library? Broken out by Number of Library Visitors....46
Table 7.3.4 Does your cafe or restaurant cater special events On Campus but not in the Library? Broken out by Size of Library's Annual Budget 47
Table 8.1 How much did the library cafe or restaurant earn in catering out of library events in the past year? (IN $) 48
Table 8.2 How much did the library cafe or restaurant earn in catering out of library events in the past year? Broken out for Public and Academic Libraries....48
Table 8.3 How much did the library cafe or restaurant earn in catering out of library events in the past year? Broken out by Number of Library Visitors....48
Table 8.4 How much did the library cafe or restaurant earn in catering out of library events in the past year? Broken out by Size of Library's Annual Budget 49
Table 9.1 Approximately what is the total annual cost of salaries of the employees who work in the cafe or restaurant? (in $US) 50
Table 9.2 Approximately what is the total annual cost of salaries of the employees who work in the cafe or restaurant? Broken out for Public and Academic Libraries....50
Table 9.3 Approximately what is the total annual cost of salaries of the employees who work in the cafe or restaurant? Broken out by Number of Library Visitors....50
Table 9.4 Approximately what is the total annual cost of salaries of the employees who work in the cafe or restaurant? Broken out by Size of Library's Annual Budget....51

If the library has a cafe or restaurant, what hours is it open during the weekdays from September to June? 51
If the library has a cafe or restaurant, what hours is it open in the summer months? 52
Table 10.1 Is the library cafe or restaurant a wireless hot spot or does it otherwise provide internet access? 53
Table 11.1 Does the library cafe or restaurant offer computer workstations to library patrons? 53
Table 11.2 Does the library cafe or restaurant offer computer workstations to library patrons? Broken out for Public and Academic Libraries 53
Table 11.3 Does the library cafe or restaurant offer computer workstations to library patrons? Broken out by Number of Library Visitors 53
Table 11.4 Does the library cafe or restaurant offer computer workstations to library patrons? Broken out by Size of Library's Annual Budget 54
Table 12.1 Does the library cafe offer outlets for patrons to connect or charge their wireless devices? 55
Table 12.2 Does the library cafe offer outlets for patrons to connect or charge their wireless devices? Broken out for Public and Academic Libraries 55
Table 12.3 Does the library cafe offer outlets for patrons to connect or charge their wireless devices? Broken out by Number of Library Visitors 55
Table 12.4 Does the library cafe offer outlets for patrons to connect or charge their wireless devices? Broken out by Size of Library's Annual Budget 56
Table 13.1 Does the library cafe or restaurant offer outdoor seating? 57
Table 13.2 Does the library cafe or restaurant offer outdoor seating? Broken out for Public and Academic Libraries 57
Table 13.3 Does the library cafe or restaurant offer outdoor seating? Broken out by Number of Library Visitors 57
Table 13.4 Does the library cafe or restaurant offer outdoor seating? Broken out by Size of Library's Annual Budget 57
Table 14.1 What is the maximum seating capacity of the library cafe or restaurant? 58
Table 14.2 What is the maximum seating capacity of the library cafe or restaurant? Broken out for Public and Academic Libraries 58
Table 14.3 What is the maximum seating capacity of the library cafe or restaurant? Broken out by Number of Library Visitors 58
Table 14.4 What is the maximum seating capacity of the library cafe or restaurant? Broken out by Size of Library's Annual Budget 59
Does the library plan to alter the seating arrangements in the library cafe or restaurant in any way? If so how? 59
Table 15.1 Would you say that your library cafe or restaurant has been successful in increasing the number of patrons who visit the library? 60
Table 15.2 Would you say that your library cafe or restaurant has been successful in increasing the number of patrons who visit the library? Broken out for Public and Academic Libraries 60
Table 15.3 Would you say that your library cafe or restaurant has been successful in increasing the number of patrons who visit the library? Broken out by Number of Library Visitors 60

Table 15.4 Would you say that your library cafe or restaurant has been successful in increasing the number of patrons who visit the library? Broken out by Size of Library's Annual Budget....61
Table 16.1 Would you say that operating a cafe in the library has led to patrons spending more time in the library?....62
Table 16.2 Would you say that operating a cafe in the library has led to patrons spending more time in the library? Broken out for Public and Academic Libraries....62
Table 16.3 Would you say that operating a cafe in the library has led to patrons spending more time in the library? Broken out by Number of Library Visitors....62
Table 16.4 Would you say that operating a cafe in the library has led to patrons spending more time in the library? Broken out by Size of Library's Annual Budget....63
Table 17.1 Does the library have vending machines in any of its buildings?....64
Table 17.2 Does the library have vending machines in any of its buildings? Broken out for Public and Academic Libraries....64
Table 17.3 Does the library have vending machines in any of its buildings? Broken out by Number of Library Visitors....64
Table 17.4 Does the library have vending machines in any of its buildings? Broken out by Size of Library's Annual Budget....64
Table 18.1 How many vending machines does the library have in all its locations and buildings?....65
Table 18.2 How many vending machines does the library have in all its locations and buildings? Broken out for Public and Academic Libraries....65
Table 18.3 How many vending machines does the library have in all its locations and buildings? Broken out by Number of Library Visitors....65
Table 18.4 How many vending machines does the library have in all its locations and buildings? Broken out by Size of Library's Annual Budget....66
Table 19.1 What was the approximate annual revenue of all vending machines located in all of the library buildings in the past year? (in $ US)....67
Table 19.2 What was the approximate annual revenue of all vending machines located in all of the library buildings in the past year? Broken out for Public and Academic Libraries....67
Table 19.3 What was the approximate annual revenue of all vending machines located in all of the library buildings in the past year? Broken out by Number of Library Visitors....67
Table 19.4 What was the approximate annual revenue of all vending machines located in all of the library buildings in the past year? Broken out by Size of Library's Annual Budget....68
Table 20.1 Does the library have mobile kiosks or carts to serve out of the way places in the library?....69
Table 21.2 Does the library have mobile kiosks or carts to serve out of the way places in the library? Broken out for Public and Academic Libraries....69
Table 22.3 Does the library have mobile kiosks or carts to serve out of the way places in the library? Broken out by Number of Library Visitors....69
Table 23.4 Does the library have mobile kiosks or carts to serve out of the way places in the library? Broken out by Size of Library's Annual Budget....70
Table 24 What is the average number of hours worked for your part timers?....71
Table 24.1.1 What is the average number of hours worked for your part timers?....71
Table 24.1.2 What is the average number of hours worked for each of your part timers? Broken out for Public and Academic Libraries....71

Table 24.1.3 What is the average number of hours worked for each of your part timers? Broken out by Number of Library Visitors....71
Table 24.1.4 What is the average number of hours worked for each of your part timers? Broken out by Size of Library's Annual Budget....72
What are some of the best management ideas that you have used to improve your library cafe or food service over the past few years? It could be an idea in marketing, cooking, menu development or any other area. 72
