

## TABLE OF CONTENTS

TABLE OF CONTENTS .....	3
LIST OF TABLES .....	4
THE QUESTIONNAIRE .....	16
SURVEY PARTICIPANTS.....	20
CHARACTERISTICS OF THE SAMPLE .....	22
SUMMARY OF MAIN FINDINGS.....	30
Chapter 1 – Extent of Use .....	38
Chapter 2 – QR Code Data .....	66
Chapter 3 – QR Code Generation .....	96
Chapter 4 – Information Literacy & End User Preferences.....	107
Chapter 5 – Social Media & Marketing .....	116
Chapter 6 – Information Resources.....	125

## LIST OF TABLES

Table 1	Does the library use QR codes for virtual reference services? .....	38
Table 1.1.1	Does the library use QR codes for virtual reference services? .....	38
Table 1.1.2	Does the library use QR codes for virtual reference services? Broken out by country.....	38
Table 1.1.3	Does the library use QR codes for virtual reference services? Broken out by type of library. ....	38
Table 1.1.4	Does the library use QR codes for virtual reference services? Broken out by type of higher education library.....	38
Table 1.1.5	Does the library use QR codes for virtual reference services? Broken out by total number of full-time equivalent library employees.....	39
Table 1.1.6	Does the library use QR codes for virtual reference services? Broken out by the year the library introduced QR codes. ....	39
Table 1.1.7	Does the library use QR codes for virtual reference services? Broken out by the existence of a “Bring Your Own Device” program. ....	39
Table 2	Does the library use QR codes for interlibrary loan?.....	40
Table 2.1.1	Does the library use QR codes for interlibrary loan?.....	40
Table 2.1.2	Does the library use QR codes for interlibrary loan? Broken out by country.....	40
Table 2.1.3	Does the library use QR codes for interlibrary loan? Broken out by type of library. ....	40
Table 2.1.4	Does the library use QR codes for interlibrary loan? Broken out by type of higher education library.....	40
Table 2.1.5	Does the library use QR codes for interlibrary loan? Broken out by total number of full-time equivalent library employees.....	40
Table 2.1.6	Does the library use QR codes for interlibrary loan? Broken out by the year the library introduced QR codes.....	41
Table 2.1.7	Does the library use QR codes for interlibrary loan? Broken out by the existence of a “Bring Your Own Device” program.....	41
Table 3	Does the library use QR codes for room reservations?.....	42
Table 3.1.1	Does the library use QR codes for room reservations?.....	42
Table 3.1.2	Does the library use QR codes for room reservations? Broken out by country.....	42
Table 3.1.3	Does the library use QR codes for room reservations? Broken out by type of library.....	42
Table 3.1.4	Does the library use QR codes for room reservations? Broken out by type of higher education library.....	42
Table 3.1.5	Does the library use QR codes for room reservations? Broken out by total number of full-time equivalent library employees.....	42
Table 3.1.6	Does the library use QR codes for room reservations? Broken out by the year the library introduced QR codes.....	43

Table 3.1.7	Does the library use QR codes for room reservations? Broken out by the existence of a “Bring Your Own Device” program. ....	43
Table 4	Does the library use QR codes for equipment use/reservations? .....	44
Table 4.1.1	Does the library use QR codes for equipment use/reservations? .....	44
Table 4.1.2	Does the library use QR codes for equipment use/reservations? Broken out by country.....	44
Table 4.1.3	Does the library use QR codes for equipment use/reservations? Broken out by type of library. ....	44
Table 4.1.4	Does the library use QR codes for equipment use/reservations? Broken out by type of higher education library.....	44
Table 4.1.5	Does the library use QR codes for equipment use/reservations? Broken out by total number of full-time equivalent library employees. ....	45
Table 4.1.6	Does the library use QR codes for equipment use/reservations? Broken out by the year the library introduced QR codes. ....	45
Table 4.1.7	Does the library use QR codes for equipment use/reservations? Broken out by the existence of a “Bring Your Own Device” program. ....	45
Table 5	Does the library use QR codes for library blogs, press releases, or other marketing vehicles? .....	46
Table 5.1.1	Does the library use QR codes for library blogs, press releases, or other marketing vehicles? .....	46
Table 5.1.2	Does the library use QR codes for library blogs, press releases, or other marketing vehicles? Broken out by country.....	46
Table 5.1.3	Does the library use QR codes for library blogs, press releases, or other marketing vehicles? Broken out by type of library. ....	46
Table 5.1.4	Does the library use QR codes for library blogs, press releases, or other marketing vehicles? Broken out by type of higher education library. ....	46
Table 5.1.5	Does the library use QR codes for library blogs, press releases, or other marketing vehicles? Broken out by total number of full-time equivalent library employees. ....	47
Table 5.1.6	Does the library use QR codes for library blogs, press releases, or other marketing vehicles? Broken out by the year the library introduced QR codes.....	47
Table 5.1.7	Does the library use QR codes for library blogs, press releases, or other marketing vehicles? Broken out by the existence of a “Bring Your Own Device” program.....	47
Table 6	Does the library use QR codes for LibGuides (or other research guides)? .....	48
Table 6.1.1	Does the library use QR codes for LibGuides (or other research guides)? .....	48
Table 6.1.2	Does the library use QR codes for LibGuides (or other research guides)? Broken out by country.....	48
Table 6.1.3	Does the library use QR codes for LibGuides (or other research guides)? Broken out by type of library. ....	48

Table 6.1.4	Does the library use QR codes for LibGuides (or other research guides)? Broken out by type of higher education library.....	48
Table 6.1.5	Does the library use QR codes for LibGuides (or other research guides)? Broken out by total number of full-time equivalent library employees. ....	49
Table 6.1.6	Does the library use QR codes for LibGuides (or other research guides)? Broken out by the year the library introduced QR codes.....	49
Table 6.1.7	Does the library use QR codes for LibGuides (or other research guides)? Broken out by the existence of a “Bring Your Own Device” program. ....	49
Table 7	Does the library use QR codes for cataloging? .....	50
Table 7.1.1	Does the library use QR codes for cataloging? .....	50
Table 7.1.2	Does the library use QR codes for cataloging? Broken out by country. ....	50
Table 7.1.3	Does the library use QR codes for cataloging? Broken out by type of library.....	50
Table 7.1.4	Does the library use QR codes for cataloging? Broken out by type of higher education library. ....	50
Table 7.1.5	Does the library use QR codes for cataloging? Broken out by total number of full-time equivalent library employees. ....	50
Table 7.1.6	Does the library use QR codes for cataloging? Broken out by the year the library introduced QR codes. ....	51
Table 7.1.7	Does the library use QR codes for cataloging? Broken out by the existence of a “Bring Your Own Device” program. ....	51
Table 8	Does the library use QR codes for 3D printing?.....	52
Table 8.1.1	Does the library use QR codes for 3D printing?.....	52
Table 9	Does the library use QR codes for library tours, shows, or exhibits? .....	53
Table 9.1.1	Does the library use QR codes for library tours, shows, or exhibits? .....	53
Table 9.1.2	Does the library use QR codes for library tours, shows, or exhibits? Broken out by country.....	53
Table 9.1.3	Does the library use QR codes for library tours, shows, or exhibits? Broken out by type of library. ....	53
Table 9.1.4	Does the library use QR codes for library tours, shows, or exhibits? Broken out by type of higher education library.....	53
Table 9.1.5	Does the library use QR codes for library tours, shows, or exhibits? Broken out by total number of full-time equivalent library employees. ....	54
Table 9.1.6	Does the library use QR codes for library tours, shows, or exhibits? Broken out by the year the library introduced QR codes.....	54
Table 9.1.7	Does the library use QR codes for library tours, shows, or exhibits? Broken out by the existence of a “Bring Your Own Device” program. ....	54

Table 10	Does the library use QR codes for audiobook services? .....	55
Table 10.1.1	Does the library use QR codes for audiobook services? .....	55
Table 10.1.2	Does the library use QR codes for audiobook services? Broken out by country.....	55
Table 10.1.3	Does the library use QR codes for audiobook services? Broken out by type of library.....	55
Table 10.1.4	Does the library use QR codes for audiobook services? Broken out by type of higher education library.....	55
Table 10.1.5	Does the library use QR codes for audiobook services? Broken out by total number of full-time equivalent library employees.....	55
Table 10.1.6	Does the library use QR codes for audiobook services? Broken out by the year the library introduced QR codes.....	56
Table 10.1.7	Does the library use QR codes for audiobook services? Broken out by the existence of a “Bring Your Own Device” program. ....	56
Table 11	Does the library use QR codes for e-book services? .....	57
Table 11.1.1	Does the library use QR codes for e-book services? .....	57
Table 11.1.2	Does the library use QR codes for e-book services? Broken out by country.....	57
Table 11.1.3	Does the library use QR codes for e-book services? Broken out by type of library. ....	57
Table 11.1.4	Does the library use QR codes for e-book services? Broken out by type of higher education library.....	57
Table 11.1.5	Does the library use QR codes for e-book services? Broken out by total number of full-time equivalent library employees.....	57
Table 11.1.6	Does the library use QR codes for e-book services? Broken out by the year the library introduced QR codes.....	58
Table 11.1.7	Does the library use QR codes for e-book services? Broken out by the existence of a “Bring Your Own Device” program.....	58
Table 12	Does the library post QR codes on posters, walls, tables, and other physical objects so library patrons can be given critical information about some kind of equipment, process, service, resource, or other need? .....	60
Table 12.1.1	Does the library post QR codes on posters, walls, tables, and other physical objects so library patrons can be given critical information about some kind of equipment, process, service, resource, or other need? .....	60
Table 12.1.2	Does the library post QR codes on posters, walls, tables, and other physical objects so library patrons can be given critical information about some kind of equipment, process, service, resource, or other need? Broken out by country.....	60
Table 12.1.3	Does the library post QR codes on posters, walls, tables, and other physical objects so library patrons can be given critical information about some kind of equipment, process, service, resource, or other need? Broken out by type of library. ....	60
Table 12.1.4	Does the library post QR codes on posters, walls, tables, and other physical objects so library patrons can be given critical	

	information about some kind of equipment, process, service, resource, or other need? Broken out by type of higher education library. ....	61
Table 12.1.5	Does the library post QR codes on posters, walls, tables, and other physical objects so library patrons can be given critical information about some kind of equipment, process, service, resource, or other need? Broken out by total number of full-time equivalent library employees. ....	61
Table 12.1.6	Does the library post QR codes on posters, walls, tables, and other physical objects so library patrons can be given critical information about some kind of equipment, process, service, resource, or other need? Broken out by the year the library introduced QR codes. ....	61
Table 12.1.7	Does the library post QR codes on posters, walls, tables, and other physical objects so library patrons can be given critical information about some kind of equipment, process, service, resource, or other need? Broken out by the existence of a “Bring Your Own Device” program. ....	62
Table 13	Does your library track the use of QR codes in the library? .....	67
Table 13.1.1	Does your library track the use of QR codes in the library? .....	67
Table 13.1.2	Does your library track the use of QR codes in the library? Broken out by country. ....	67
Table 13.1.3	Does your library track the use of QR codes in the library? Broken out by type of library. ....	67
Table 13.1.4	Does your library track the use of QR codes in the library? Broken out by type of higher education library. ....	67
Table 13.1.5	Does your library track the use of QR codes in the library? Broken out by total number of full-time equivalent library employees. ....	68
Table 13.1.6	Does your library track the use of QR codes in the library? Broken out by the year the library introduced QR codes. ....	68
Table 13.1.7	Does your library track the use of QR codes in the library? Broken out by the existence of a “Bring Your Own Device” program. ....	68
Table 14	How many unique QR codes has your library deployed in all applications? .....	71
Table 14.1.1	How many unique QR codes has your library deployed in all applications? .....	71
Table 14.1.2	How many unique QR codes has your library deployed in all applications? Broken out by country. ....	71
Table 14.1.3	How many unique QR codes has your library deployed in all applications? Broken out by type of library. ....	71
Table 14.1.4	How many unique QR codes has your library deployed in all applications? Broken out by type of higher education library. ....	71

Table 14.1.5	How many unique QR codes has your library deployed in all applications? Broken out by total number of full-time equivalent library employees.....	72
Table 14.1.6	How many unique QR codes has your library deployed in all applications? Broken out by the year the library introduced QR codes.....	72
Table 14.1.7	How many unique QR codes has your library deployed in all applications? Broken out by the existence of a “Bring Your Own Device” program.....	72
Table 15	Has your library done any research into what percentage of your patron base knows what a QR code is?.....	80
Table 15.1.1	Has your library done any research into what percentage of your patron base knows what a QR code is?.....	80
Table 15.1.2	Has your library done any research into what percentage of your patron base knows what a QR code is? Broken out by country. ....	80
Table 15.1.3	Has your library done any research into what percentage of your patron base knows what a QR code is? Broken out by type of library. ....	80
Table 15.1.4	Has your library done any research into what percentage of your patron base knows what a QR code is? Broken out by type of higher education library. ....	80
Table 15.1.5	Has your library done any research into what percentage of your patron base knows what a QR code is? Broken out by total number of full-time equivalent library employees. ....	81
Table 15.1.6	Has your library done any research into what percentage of your patron base knows what a QR code is? Broken out by the year the library introduced QR codes. ....	81
Table 15.1.7	Has your library done any research into what percentage of your patron base knows what a QR code is? Broken out by the existence of a “Bring Your Own Device” program.....	81
Table 16	About what percentage of your patron base would you say knows what a QR code is? .....	82
Table 16.1.1	About what percentage of your patron base would you say knows what a QR code is? .....	82
Table 16.1.2	About what percentage of your patron base would you say knows what a QR code is? Broken out by country. ....	82
Table 16.1.3	About what percentage of your patron base would you say knows what a QR code is? Broken out by type of library. ....	82
Table 16.1.4	About what percentage of your patron base would you say knows what a QR code is? Broken out by type of higher education library. ....	82
Table 16.1.5	About what percentage of your patron base would you say knows what a QR code is? Broken out by total number of full-time equivalent library employees.....	83

Table 16.1.6	About what percentage of your patron base would you say knows what a QR code is? Broken out by the year the library introduced QR codes.....	83
Table 16.1.7	About what percentage of your patron base would you say knows what a QR code is? Broken out by the existence of a “Bring Your Own Device” program.....	83
Table 17	How many QR codes were deployed in your library in February 2012?.....	84
Table 17.1.1	How many QR codes were deployed in your library in February 2012?.....	84
Table 17.1.2	How many QR codes were deployed in your library in February 2012? Broken out by country.....	84
Table 17.1.3	How many QR codes were deployed in your library in February 2012? Broken out by type of library.....	84
Table 17.1.4	How many QR codes were deployed in your library in February 2012? Broken out by type of higher education library.....	84
Table 17.1.5	How many QR codes were deployed in your library in February 2012? Broken out by total number of full-time equivalent library employees. ....	85
Table 17.1.6	How many QR codes were deployed in your library in February 2012? Broken out by the year the library introduced QR codes.....	85
Table 17.1.7	How many QR codes were deployed in your library in February 2012? Broken out by the existence of a “Bring Your Own Device” program. ....	85
Table 18	How many QR codes were deployed in your library in February 2013?.....	86
Table 18.1.1	How many QR codes were deployed in your library in February 2013?.....	86
Table 18.1.2	How many QR codes were deployed in your library in February 2013? Broken out by country.....	86
Table 18.1.3	How many QR codes were deployed in your library in February 2013? Broken out by type of library.....	86
Table 18.1.4	How many QR codes were deployed in your library in February 2013? Broken out by type of higher education library.....	86
Table 18.1.5	How many QR codes were deployed in your library in February 2013? Broken out by total number of full-time equivalent library employees. ....	87
Table 18.1.6	How many QR codes were deployed in your library in February 2013? Broken out by the year the library introduced QR codes.....	87
Table 18.1.7	How many QR codes were deployed in your library in February 2013? Broken out by the existence of a “Bring Your Own Device” program. ....	87
Table 19	How many QR codes were deployed in your library in February 2014?.....	88
Table 19.1.1	How many QR codes were deployed in your library in February 2014?.....	88

Table 19.1.2	How many QR codes were deployed in your library in February 2014? Broken out by country.....	88
Table 19.1.3	How many QR codes were deployed in your library in February 2014? Broken out by type of library.....	88
Table 19.1.4	How many QR codes were deployed in your library in February 2014? Broken out by type of higher education library.....	88
Table 19.1.5	How many QR codes were deployed in your library in February 2014? Broken out by total number of full-time equivalent library employees. ....	89
Table 19.1.6	How many QR codes were deployed in your library in February 2014? Broken out by the year the library introduced QR codes.....	89
Table 19.1.7	How many QR codes were deployed in your library in February 2014? Broken out by the existence of a “Bring Your Own Device” program.....	89
Table 20	Approximately how many total reads or scans of your library's QR codes were registered for the complete 2012 calendar year? .....	90
Table 20.1.1	Approximately how many total reads or scans of your library's QR codes were registered for the complete 2012 calendar year? .....	90
Table 20.1.2	Approximately how many total reads or scans of your library's QR codes were registered for the complete 2012 calendar year? Broken out by country. ....	90
Table 20.1.3	Approximately how many total reads or scans of your library's QR codes were registered for the complete 2012 calendar year? Broken out by type of library.....	90
Table 20.1.4	Approximately how many total reads or scans of your library's QR codes were registered for the complete 2012 calendar year? Broken out by type of higher education library. ....	91
Table 20.1.5	Approximately how many total reads or scans of your library's QR codes were registered for the complete 2012 calendar year? Broken out by total number of full-time equivalent library employees. ....	91
Table 20.1.6	Approximately how many total reads or scans of your library's QR codes were registered for the complete 2012 calendar year? Broken out by the year the library introduced QR codes.....	91
Table 20.1.7	Approximately how many total reads or scans of your library's QR codes were registered for the complete 2012 calendar year? Broken out by the existence of a “Bring Your Own Device” program.....	92
Table 21	Approximately how many total reads or scans of your library's QR codes were registered for the complete 2013 calendar year? .....	93
Table 21.1.1	Approximately how many total reads or scans of your library's QR codes were registered for the complete 2013 calendar year? .....	93

Table 21.1.2	Approximately how many total reads or scans of your library's QR codes were registered for the complete 2013 calendar year? Broken out by country. ....	93
Table 21.1.3	Approximately how many total reads or scans of your library's QR codes were registered for the complete 2013 calendar year? Broken out by type of library.....	93
Table 21.1.4	Approximately how many total reads or scans of your library's QR codes were registered for the complete 2013 calendar year? Broken out by type of higher education library. ....	94
Table 21.1.5	Approximately how many total reads or scans of your library's QR codes were registered for the complete 2013 calendar year? Broken out by total number of full-time equivalent library employees. ....	94
Table 21.1.6	Approximately how many total reads or scans of your library's QR codes were registered for the complete 2013 calendar year? Broken out by the year the library introduced QR codes.....	94
Table 21.1.7	Approximately how many total reads or scans of your library's QR codes were registered for the complete 2013 calendar year? Broken out by the existence of a "Bring Your Own Device" program. ....	95
Table 22	Does your library use free apps or services or does it pay for apps or services to create QR codes? .....	96
Table 22.1.1	Does your library use free apps or services or does it pay for apps or services to create QR codes? .....	98
Table 22.1.2	Does your library use free apps or services or does it pay for apps or services to create QR codes? Broken out by country.....	98
Table 22.1.3	Does your library use free apps or services or does it pay for apps or services to create QR codes? Broken out by type of library. ....	98
Table 22.1.4	Does your library use free apps or services or does it pay for apps or services to create QR codes? Broken out by type of higher education library. ....	99
Table 22.1.5	Does your library use free apps or services or does it pay for apps or services to create QR codes? Broken out by total number of full-time equivalent library employees. ....	99
Table 22.1.6	Does your library use free apps or services or does it pay for apps or services to create QR codes? Broken out by the year the library introduced QR codes.....	99
Table 22.1.7	Does your library use free apps or services or does it pay for apps or services to create QR codes? Broken out by the existence of a "Bring Your Own Device" program. ....	100
Table 23	When you are making a QR code that refers back to your library website, about what percentage of the pages that you wish to include would you say are mobile device friendly? .....	104

Table 23.1.1	When you are making a QR code that refers back to your library website, about what percentage of the pages that you wish to include would you say are mobile device friendly? .....	104
Table 23.1.2	When you are making a QR code that refers back to your library website, about what percentage of the pages that you wish to include would you say are mobile device friendly? Broken out by country.....	104
Table 23.1.3	When you are making a QR code that refers back to your library website, about what percentage of the pages that you wish to include would you say are mobile device friendly? Broken out by type of library. ....	104
Table 23.1.4	When you are making a QR code that refers back to your library website, about what percentage of the pages that you wish to include would you say are mobile device friendly? Broken out by type of higher education library.....	105
Table 23.1.5	When you are making a QR code that refers back to your library website, about what percentage of the pages that you wish to include would you say are mobile device friendly? Broken out by total number of full-time equivalent library employees.....	105
Table 23.1.6	When you are making a QR code that refers back to your library website, about what percentage of the pages that you wish to include would you say are mobile device friendly? Broken out by the year the library introduced QR codes.....	105
Table 23.1.7	When you are making a QR code that refers back to your library website, about what percentage of the pages that you wish to include would you say are mobile device friendly? Broken out by the existence of a “Bring Your Own Device” program. ....	106
Table 24	Does the library cover the use of QR codes in its main information literacy effort with new students?.....	107
Table 24.1.1	Does the library cover the use of QR codes in its main information literacy effort with new students?.....	107
Table 24.1.2	Does the library cover the use of QR codes in its main information literacy effort with new students? Broken out by country. ....	107
Table 24.1.3	Does the library cover the use of QR codes in its main information literacy effort with new students? Broken out by type of library.....	107
Table 24.1.4	Does the library cover the use of QR codes in its main information literacy effort with new students? Broken out by type of higher education library. ....	107
Table 24.1.5	Does the library cover the use of QR codes in its main information literacy effort with new students? Broken out by total number of full-time equivalent library employees.....	108

Table 24.1.6	Does the library cover the use of QR codes in its main information literacy effort with new students? Broken out by the year the library introduced QR codes. ....	108
Table 24.1.7	Does the library cover the use of QR codes in its main information literacy effort with new students? Broken out by the existence of a “Bring Your Own Device” program. ....	108
Table 25	Has the library included questions on the use of QR codes in its surveys of library patrons or staff? .....	111
Table 25.1.1	Has the library included questions on the use of QR codes in its surveys of library patrons or staff? .....	111
Table 25.1.2	Has the library included questions on the use of QR codes in its surveys of library patrons or staff? Broken out by country. ....	111
Table 25.1.3	Has the library included questions on the use of QR codes in its surveys of library patrons or staff? Broken out by type of library. ....	111
Table 25.1.4	Has the library included questions on the use of QR codes in its surveys of library patrons or staff? Broken out by type of higher education library. ....	111
Table 25.1.5	Has the library included questions on the use of QR codes in its surveys of library patrons or staff? Broken out by total number of full-time equivalent library employees. ....	112
Table 25.1.6	Has the library included questions on the use of QR codes in its surveys of library patrons or staff? Broken out by the year the library introduced QR codes. ....	112
Table 25.1.7	Has the library included questions on the use of QR codes in its surveys of library patrons or staff? Broken out by the existence of a “Bring Your Own Device” program. ....	112
Table 26	Has the library ever conducted an end user usability test or focus group to systematically study and evaluate how library patrons currently use or are likely to use library QR codes? .....	113
Table 26.1.1	Has the library ever conducted an end user usability test or focus group to systematically study and evaluate how library patrons currently use or are likely to use library QR codes? .....	113
Table 26.1.2	Has the library ever conducted an end user usability test or focus group to systematically study and evaluate how library patrons currently use or are likely to use library QR codes? Broken out by country. ....	113
Table 26.1.3	Has the library ever conducted an end user usability test or focus group to systematically study and evaluate how library patrons currently use or are likely to use library QR codes? Broken out by type of library. ....	113
Table 26.1.4	Has the library ever conducted an end user usability test or focus group to systematically study and evaluate how library patrons currently use or are likely to use library QR codes? Broken out by type of higher education library. ....	114

Table 26.1.5	Has the library ever conducted an end user usability test or focus group to systematically study and evaluate how library patrons currently use or are likely to use library QR codes? Broken out by total number of full-time equivalent library employees.....	114
Table 26.1.6	Has the library ever conducted an end user usability test or focus group to systematically study and evaluate how library patrons currently use or are likely to use library QR codes? Broken out by the year the library introduced QR codes.....	114
Table 26.1.7	Has the library ever conducted an end user usability test or focus group to systematically study and evaluate how library patrons currently use or are likely to use library QR codes? Broken out by the existence of a “Bring Your Own Device” program.....	115
Table 27	Has your library collected references and URLs for social media and video sites (such as YouTube, Vimeo, Facebook, and others) under a topic heading in a QR code? .....	117
Table 27.1.1	Has your library collected references and URLs for social media and video sites (such as YouTube, Vimeo, Facebook, and others) under a topic heading in a QR code? .....	117
Table 27.1.2	Has your library collected references and URLs for social media and video sites (such as YouTube, Vimeo, Facebook, and others) under a topic heading in a QR code? Broken out by country.....	117
Table 27.1.3	Has your library collected references and URLs for social media and video sites (such as YouTube, Vimeo, Facebook, and others) under a topic heading in a QR code? Broken out by type of library.....	117
Table 27.1.4	Has your library collected references and URLs for social media and video sites (such as YouTube, Vimeo, Facebook, and others) under a topic heading in a QR code? Broken out by type of higher education library.....	118

Table 27.1.7	Has your library collected references and URLs for social media and video sites (such as YouTube, Vimeo, Facebook, and others) under a topic heading in a QR code? Broken out by the existence of a “Bring Your Own Device” program.....	119

## THE QUESTIONNAIRE

### CHAPTER 1 – EXTENT OF USE

1. Does the library use QR codes for \_\_\_\_\_?
  - A. Virtual reference services
  - B. Interlibrary loan
  - C. Room reservations
  - D. Equipment use/reservations
  - E. Library blogs, press releases, or other marketing vehicles
  - F. LibGuides (or other research guides)
  - G. Cataloging
  - H. 3D printing
  - I. Library tours, shows, or exhibits
  - J. Audiobook services
  - K. E-book services
2. If the library uses QR codes for any application not mentioned above, please specify.
3. Does the library post QR codes on posters, walls, tables, and other physical objects so library patrons can be given critical information about some kind of equipment, process, service, resource, or other need?
4. If so, where does the library post these QR codes? Which of them are used most extensively?
5. If the library uses QR codes in cataloguing, describe the extent of their use.

### CHAPTER 2 – QR CODE DATA

6. Does your library track the use of QR codes in the library?
7. What analytics packages or tools does the library use to track use of QR codes?
8. Approximately how many scans do all of the library's QR codes get on an average day?
9. How many unique QR codes has your library deployed in all applications?
10. How many total reads or scans per month does the library typically get for all of its QR codes?

11. Where has your library deployed QR codes? If you can (even informally), please break down by library sectors your library's use of QR codes. For example, you might say your QR codes are deployed as follows: cataloguing 25%, special collections 15%, administration 10%, tours and exhibits 15%, and so on. We realize this is difficult but take a shot at it, commenting on how accurate you think your picture is.
12. What is your single most commonly used QR code in the library?
13. How many reads or scans has this most popular code received and when was it first deployed?
14. Has your library done any research into what percentage of your patron base knows what a QR code is?
15. About what percentage of your patron base would you say knows what a QR code is?
16. How many QR codes were deployed in your library in February \_\_\_\_\_?<sup>1</sup>
  - A. 2012
  - B. 2013
  - C. 2014
17. Approximately how many total reads or scans of your library's QR codes were registered for the complete \_\_\_\_\_ calendar year?<sup>2</sup>
  - A. 2012
  - B. 2013

### CHAPTER 3 – QR CODE GENERATION

18. How much did your library spend in the past year on services for QR code generation?
19. Does your library use free apps or services or does it pay for apps or services to create QR codes?
  - A. Free apps or services
  - B. Paid apps or services
  - C. Both free and paid

---

<sup>1</sup> If your library did not use QR codes, your response should be "0."

<sup>2</sup> If your library did not use QR codes, your response should be "0."

20. Describe how you went about making your decision to use paid or free apps or services to create QR codes. Why did you choose the apps and services you did?
21. When you are making a QR code that refers back to your library website, about what percentage of the pages that you wish to include would you say are mobile device friendly?

#### **CHAPTER 4 – INFORMATION LITERACY & END USER PREFERENCES**

22. Does the library cover the use of QR codes in its main information literacy effort with new students?
23. Explain how you have discussed QR codes in your information literacy efforts. Do you have handouts on the use of QR codes? Do you restrict the study of them to certain patrons, employees, or students? Are your efforts aimed at library employees, library patrons, or both?
24. Has the library included questions on the use of QR codes in its surveys of library patrons or staff?
25. Has the library ever conducted an end user usability test or focus group to systematically study and evaluate how library patrons currently use or are likely to use library QR codes?
26. If your library has conducted such focus groups, please describe what you have done and the conclusions you reached.

#### **CHAPTER 5 – SOCIAL MEDIA & MARKETING**

27. Has your library collected references and URLs for social media and video sites (such as YouTube, Vimeo, Facebook, and others) under a topic heading in a QR code?
28. If your library has utilized QR codes to better enable library patrons to access social media sites, please explain how you have done so.
29. Explain what your library has done to publicize and market QR codes to library patrons.
30. How does your organization handle the issue of creating appealing graphics for announcements, ads, posters, and other materials that describe to library patrons what can be found in a particular QR code?

## **CHAPTER 6 – INFORMATION RESOURCES**

31. What are your beset sources of information on the use of QR codes in libraries? You can mention blogs, listservs, e-zines, conferences, reports, studies, magazines, etc. Be specific, citing URLs, ISBNs, and other identifying data where possible.
32. Which libraries do you particularly admire for their imaginative use of QR codes? What did they do that you respect so much?

## **SURVEY PARTICIPANTS**

Alaska State Library  
Albion District Library  
Anaheim Public Library  
Arizona Christian University  
The Brentwood Library  
Brigham Young University  
Cal Poly Pomona University Library  
Canterbury College  
Central Institute of Technology  
City of Gold Coast Libraries  
City of London Libraries  
College of Charleston Libraries  
Community College of Rhode Island  
Courtauld Institute of Art  
Dowling College  
Dudley Libraries  
Eastern Michigan University  
Gloucestershire Libraries  
Gosford City Library  
Grafton-Midview Public Library  
Grand Valley Public Library  
Latrobe City Council  
Meadville Public Library  
Meriden Public Library  
Moreno Valley College  
Mount Saint Mary College  
National Institute of Corrections Information Center  
New York City College of Technology  
Newcastle University  
North Warwickshire and Hinckley College  
Parramatta City Library  
Phoenix College Library  
Renton Technical College  
Sabah State Library  
South Holland Public Library  
Southwest Texas Junior College  
St. Mary's University School of Law Library  
Sundre Municipal Library  
Tameside College  
University of Aveiro  
University of Bergen Library  
University of Cape Town  
University of Nottingham

University of Virginia Law Library  
University of Wisconsin Law Library  
Van Meter Public Library  
Viola Public Library  
Wartburg College  
Westfield State University

## CHARACTERISTICS OF THE SAMPLE

Overall sample size: 49

### By Country

United States	30
Other <sup>1</sup>	19

### By Type of Library

Higher education	23
Public	19
Law/business/other <sup>2</sup>	7

### By Type of Higher Education Library

Community college	7
BA-/MA-granting	8
Doctoral or research university	8
N/A	26

### By Full-Time Equivalent Library Employees

Less than 10	16
10 to 49	19
50 or more	14

### By the Year the Library Introduced QR Codes

2011 or earlier	18
2012	16
2013 or later	13
N/A	2

### By the Existence of a “Bring Your Own Device” Program

Has a program	16
Does not have a program	33

---

<sup>1</sup> Consists of the following countries: Australia (x5), Canada, England (x9), Malaysia, Norway, Portugal, and South Africa.

<sup>2</sup> University law libraries are categorized under “law.”
