

3. Mega Internet Sites in Information Literacy Workshops

Table 3.1: Has the library ever conducted workshops for patrons that include instruction in how to use Google Books?

	YES	NO
Entire Sample	17.76%	82.24%

Table 3.2: Has the library ever conducted workshops for patrons that include instruction in how to use Google Books? Broken out by type of library.

	YES	NO
Public Library	0.00%	100.00%
College/University Library	32.61%	67.39%
Law/Corporate Library	15.79%	84.21%
Government Agency/Department Library	14.29%	85.71%

Table 3.3: Has the library ever conducted workshops for patrons that include instruction in how to use Google Books? Broken out by professional position at the library.

	YES	NO
Reference or Information Literacy	29.41%	70.59%
Research or Subject Specialist	23.08%	76.92%
Administration	6.82%	93.18%
Technical Services or Cataloging	14.29%	85.71%
Special Collections	20.00%	80.00%
Acquisitions or Collection Development	33.33%	66.67%

Table 3.4: Has the library ever conducted workshops for patrons that include instruction in how to use Google Books? Broken out by total library budget.

	YES	NO
Less than \$1,000,000	18.42%	81.58%
Between \$1,000,000 - \$5,000,000	13.16%	86.84%
Between \$5,000,000 - \$10,000,000	0.00%	100.00%
Over \$10,000,000	30.43%	69.57%

Library Use of the Mega Internet Sites, 2011-12 Edition

Table 3.5: Has the library ever conducted workshops for patrons that include instruction in how to use Google Maps?

	YES	NO
Entire Sample	13.08%	86.92%

Table 3.6: Has the library ever conducted workshops for patrons that include instruction in how to use Google Maps? Broken out by type of library.

	YES	NO
Public Library	2.86%	97.14%
College/University Library	23.91%	76.09%
Law/Corporate Library	10.53%	89.47%
Government Agency/Department Library	0.00%	100.00%

Table 3.7: Has the library ever conducted workshops for patrons that include instruction in how to use Google Maps? Broken out by professional position at the library.

	YES	NO
Reference or Information Literacy	20.59%	79.41%
Research or Subject Specialist	15.38%	84.62%
Administration	6.82%	93.18%
Technical Services or Cataloging	14.29%	85.71%
Special Collections	0.00%	100.00%
Acquisitions or Collection Development	33.33%	66.67%

Table 3.8: Has the library ever conducted workshops for patrons that include instruction in how to use Google Maps? Broken out by total library budget.

	YES	NO
Less than \$1,000,000	10.53%	89.47%
Between \$1,000,000 - \$5,000,000	7.89%	92.11%
Between \$5,000,000 - \$10,000,000	12.50%	87.50%
Over \$10,000,000	26.09%	73.91%

Library Use of the Mega Internet Sites, 2011-12 Edition

Table 3.9: Has the library ever conducted workshops for patrons that include instruction in how to use Google Scholar?

	YES	NO
Entire Sample	40.19%	59.81%

Table 3.10: Has the library ever conducted workshops for patrons that include instruction in how to use Google Scholar? Broken out by type of library.

	YES	NO
Public Library	0.00%	100.00%
College/University Library	69.57%	30.43%
Law/Corporate Library	42.11%	57.89%
Government Agency/Department Library	42.86%	57.14%

Table 3.11: Has the library ever conducted workshops for patrons that include instruction in how to use Google Scholar? Broken out by professional position at the library.

	YES	NO
Reference or Information Literacy	44.12%	55.88%
Research or Subject Specialist	69.23%	30.77%
Administration	27.27%	72.73%
Technical Services or Cataloging	28.57%	71.43%
Special Collections	60.00%	40.00%
Acquisitions or Collection Development	33.33%	66.67%

Table 3.12: Has the library ever conducted workshops for patrons that include instruction in how to use Google Scholar? Broken out by total library budget.

	YES	NO
Less than \$1,000,000	39.47%	60.53%
Between \$1,000,000 - \$5,000,000	36.84%	63.16%
Between \$5,000,000 - \$10,000,000	25.00%	75.00%
Over \$10,000,000	52.17%	47.83%
